RHA®
Collection

Discover the Designer Difference

RHA® — Resilient Hyaluronic Acid — is the first innovation to fillers in more than a decade. RHA® is designed to be resilient and move with the dynamic demands of your face.

The Designer Filler - Now Available! We're excited to be among the first practices in the U.S. to offer the RHA® Collection, the latest innovation in hyaluronic acid fillers. The RHA® Collection is designed intentionally for facial dynamics. RHA is used to mimic the natural hyaluronic acid that's found in your skin and adapt to the dynamic demands of your face. Finally, the excellence of Swiss science is now available at our practice! Experience the designer difference yourself.
