Renovatio PDO threads

Achieve a fresh look without surgery! Consult with our doctor about Renovatio PDO threads.

PDO threads are non-surgical threads used to obtain a desirable facial structure.

When it comes to offering your patients the best possible results with PDO thread lift procedures, the Renovatio line of PDO threads stands apart in state-of-the-art design, innovation, and quality construction. Now available in the US with full FDA approval, these 100% synthetic, bioabsorbable sutures for facial structures are among the most reliable in the industry.

A non-surgical treatment that provides an immediate lift to sagging skin.

\$200 OFF ANY AREA
